REGISTRATION MEETINGS.

EDITOR BULLETIN:—
I have read several of the inspec-
tors' notices for meetings for correct-
ing the roll or voting lists, and unless
attention is called to the fact the new
election law will not have been com-
plied with in some respects. For in-
stance, precinct 24 of first district,
precinct 2d of third district, and
precinct 1st of fifth district all ad-
vertise meetings to be held not later
than January 30th. Now my read-
ing of the law (section 43) is that no
meetings are to be held for five days
before the election. For that reason
I have advertised that my precinct
shall hold meetings not later than
January 28th. Again, I think the
same section contemplates that meet-
ings are only to be held in the pre-
cincts, and nowhere else. Now I find
that in the 2d precinct of the first
district it is proposed by the inspec-
tors thereof to hold meetings out-
side of their precinct. I am afraid
those will not be valid meetings which
are held outside of the precincts.
By calling attention to this it may
tend to rectify what might hereafter
appear to be serious mistakes.
HENRY SMITH.

LETTER FROM MR. MARQUES.

EDITOR BULLETIN:—
In relation to the editorial in your
yesterday's issue, on my humble per-
son, you are quite welcome to regret
the money that my bills and reports
cost—probably because you did not
do the printing—and nobody more
than myself regrets the time and
work I wasted in the last Legislature,
trying to do my duty to the country.
But I wish you to be more
correct when you occupy yourself of
my doings. I was not the author of
an "impracticable census law,"
whose real author was, I believe, one
of your patrons, prompted by one of
the present candidates of the Reform
National party. Neither did I pre-
sent a "cremation bill." Hoping
that in spite of partisan differences,
your known impartiality will make
you find in your paper a little space
for the rectifications, I remain, yours
truly,
A. MARQUES.

FOREIGN POSTAGE.

EDITOR BULLETIN:—
Our system of postage rates to
Europe and other places is to many
a mystery. Would our P. M. G.
kindly give the public an explanation
why we are charged double rates. It
is presumed we are in the Postal
Union. For example, a letter comes
to us postage 2 1/2 ct. or say 3 cents;
our letter back, same weight mark
you, costs 10 cents postage. Is this
some more of the discipline we are
going through at Uncle Sam's hands?
Same to Japan. In other countries
postage rates are published. Why
are not ours? So as to avoid asking
the rate at the window.
PUZZLED CITIZEN.

REQUEST FOR PAPERS.

EDITOR BULLETIN:—
Will all readers of this paper, who
are interested in the sailors, leave
such papers and magazines as they
can spare from their homes at the
Y. M. C. A. for distribution among
the seamen. Illustrated literature is
of special value.

A FAVORITE REMEDY.

Chamberlain's Cough Remedy is a
favorite during the winter months on
account of its great success in the
cure of colds. There is nothing that
will loosen a severe cold so quickly,
or as promptly relieve the lungs.
Then it counteracts any tendency to-
ward pneumonia. It is pleasant and
safe to take, and fully worthy of its
popularity. For sale by all dealers.
